

Explore Task

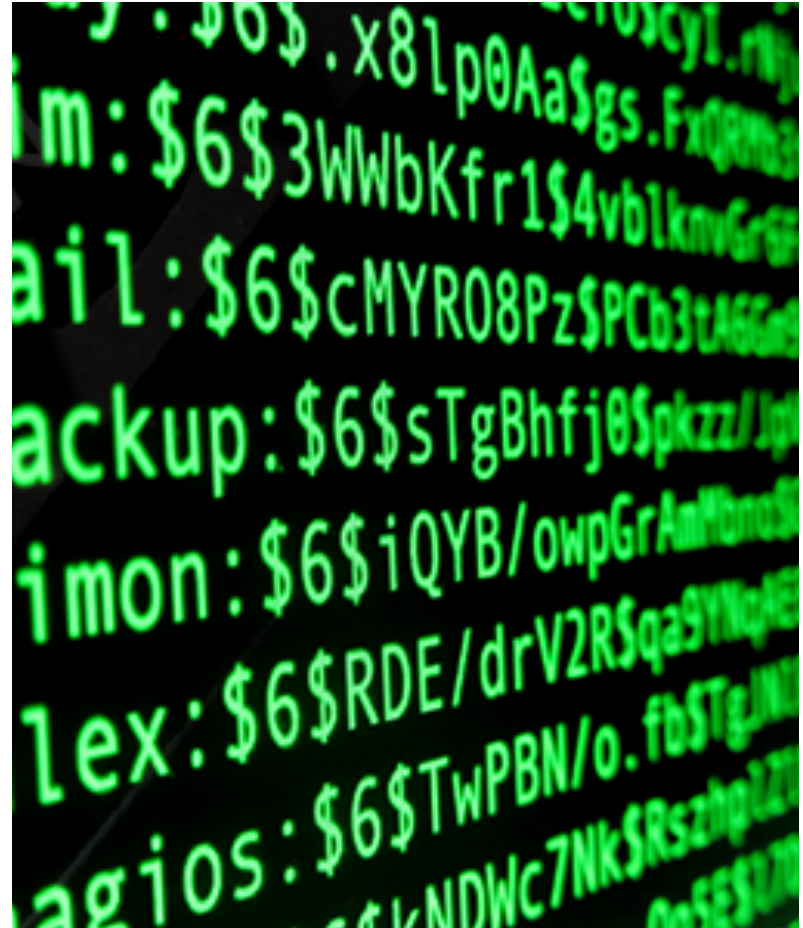

01-18-18

**Midterm on
Jan 17 & 18**

**This is 16% of your
final AP score**

Explore Task

- Last day to work on it in Jan 26, 2018
 - Things are going to pick up pace in the third quarter
 - ALL CODING
 - Lots of HW
 - Hardest Quarter
- One last thing to go over and then you're on your own...

Harmful Effects v. Data Security Concerns

HARMFUL EFFECT

Harmful effects on society, economy, culture Translation: what are the unintended consequences of this innovation on specific groups of people assuming the innovation works as intended? For harmful effect: who or what stands to lose from wide use of this innovation now, or in the future

DATA SECURITY CONCERN

Data storage, privacy, or security concern Translation: What are the risks? How could the data be misused? What are the security or privacy risks?
